Saginaw firefighters responded to three fires Sunday:

Shortly after midnight on Sunday morning Saginaw firefighters responded to and put out a kitchen fire at 3228 Court. Battalion Chief Jeffrey A. Martinez said the fire was accidental, caused about \$10,000 in damage and there were no injuries to the occupants, a man, woman and child.

Saginaw firefighters responded to a washing machine fire in the basement of a home at 1516 Bismark occupied by a woman and six children about 3 p.m. Sunday. Martinez said repairs should cost about \$2,500 and Red Cross assisted the family with lodging because water was shut off because of the fire damage.

Saginaw firefighters responded to a "suspicious" fire at 2400 Perkins about 9:45 p.m. Sunday where three adults and two children evacuated the home with no injuries. Martinez said estimated damages are \$10,000 and the Fire Investigative Services Team, the department that investigates arson, is investigating the fire.
