

Saginaw County Chapter

\$10 Reasonable Request

American Red Cross volunteers, like you, know that while \$10 is such a reasonable request, it can mean a world of difference to someone in an emergency.

From **July 25 – July 29, 2009**, five Saginaw County families came to us with a reasonable request, too. Our homes just burned down; will you please put a roof over our heads, food in our stomachs, clothes on our backs and hope in our hearts?

In just five short days, we fulfilled those reasonable requests with **\$2,176** in direct assistance, and lots of hugs.

We are not a government agency and rely on the generosity of the American People to provide this gift in your community. Please visit www.redcross-saginaw.org to make an online donation or return your gift in the enclosed envelope.

**Please make a difference.
Invest in your American Red Cross today.**

Sincerely,

Shannon Vasko
Director, Preparedness and Response
